

CBSI MSc and PhD Scholarships

Using the application portal
January 2025

Summary of process

Getting started

- Create a log-in and verify your email
- Create your profile
- Name application with CBSI Scholarship that you are applying for (copy and paste from list on Program page, e.g.: **PhD U. of Leeds (Understanding the drivers of the central African intact forest carbon sink)**)

Complete your application

- Work through application questions
- Complete all compulsory application questions, marked (*)
- Click **“Save Draft and Exit Section”** regularly to avoid losing unsaved answers

Review and submit

- Review your application and make final edits
- Submit your application
- **Caution – you cannot change your application after submission!**

Email verification

email address > Inbox x

Copy verification code that you receive via email
(below) into webpage (right)

You have selected this email address as your new Congo Basin Science Initiative account on NextZen. To verify this email address belongs to you, please enter the code at the bottom on the email verification page:

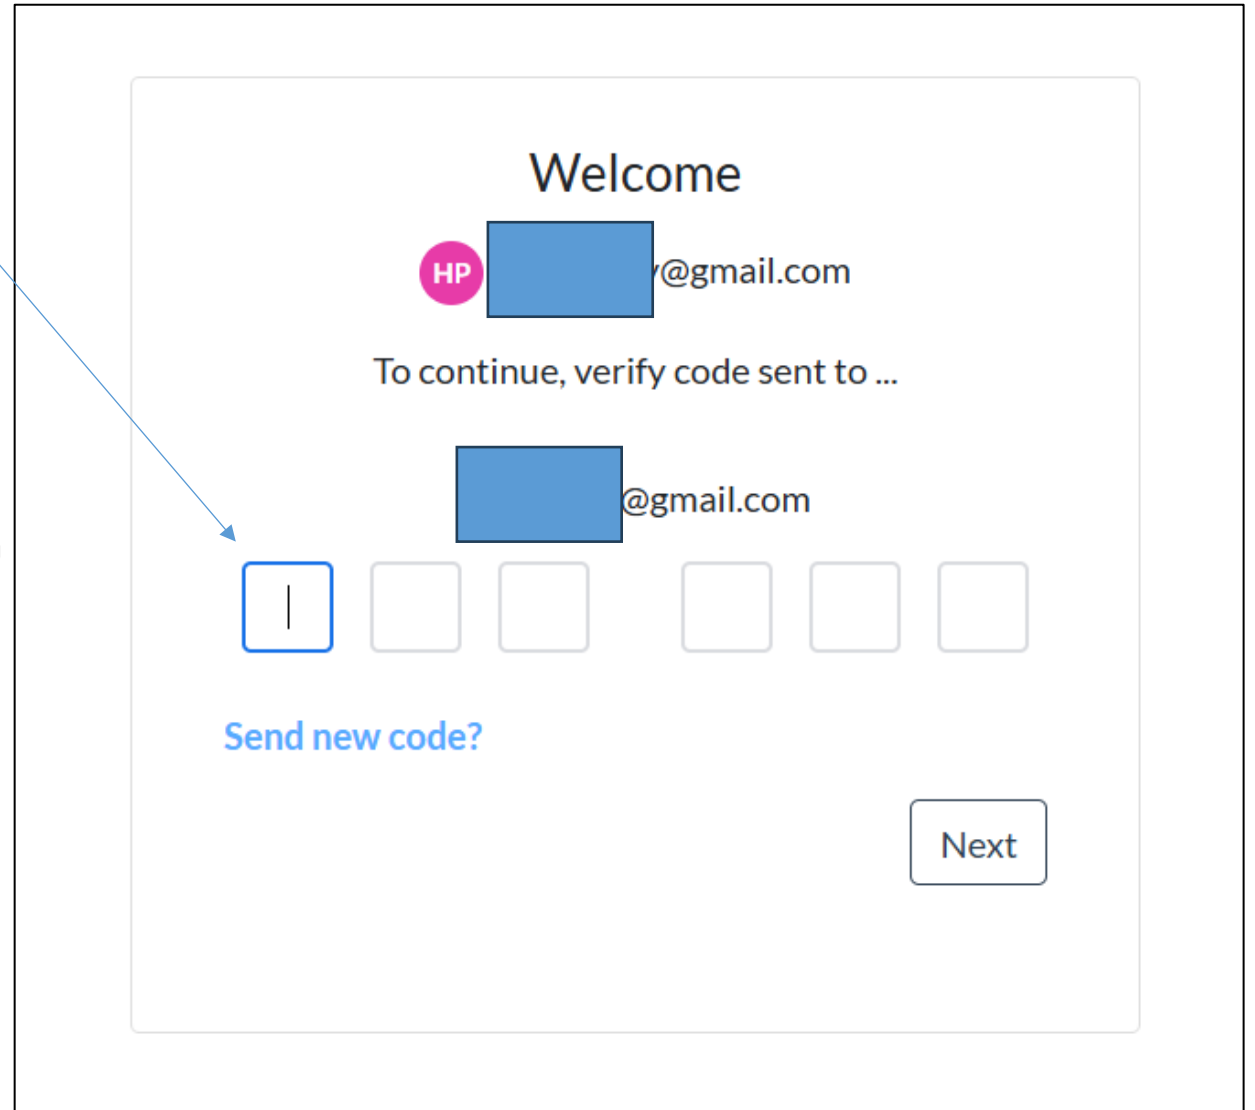

Why did you receive this email?

Congo Basin Science Initiative requires verification for all email addresses used for creating accounts. You cannot use your account till it's verified.

If you did not make this request, you can ignore this email.

0 0 4 3 7 9

This code will expire 10 minutes after this email is sent.

The screenshot shows a webpage titled "Welcome" with a pink "HP" icon and a blue box representing the user's name. Below the name is the email address "y@gmail.com". The text "To continue, verify code sent to ..." is displayed. Below this is another blue box representing the user's name, followed by "@gmail.com". There are six input boxes for the verification code, with the first one containing a vertical line. Below the input boxes is a blue link "Send new code?". A "Next" button is located at the bottom right of the form.

Enter your profile information. All fields marked with a red asterisk are compulsory.

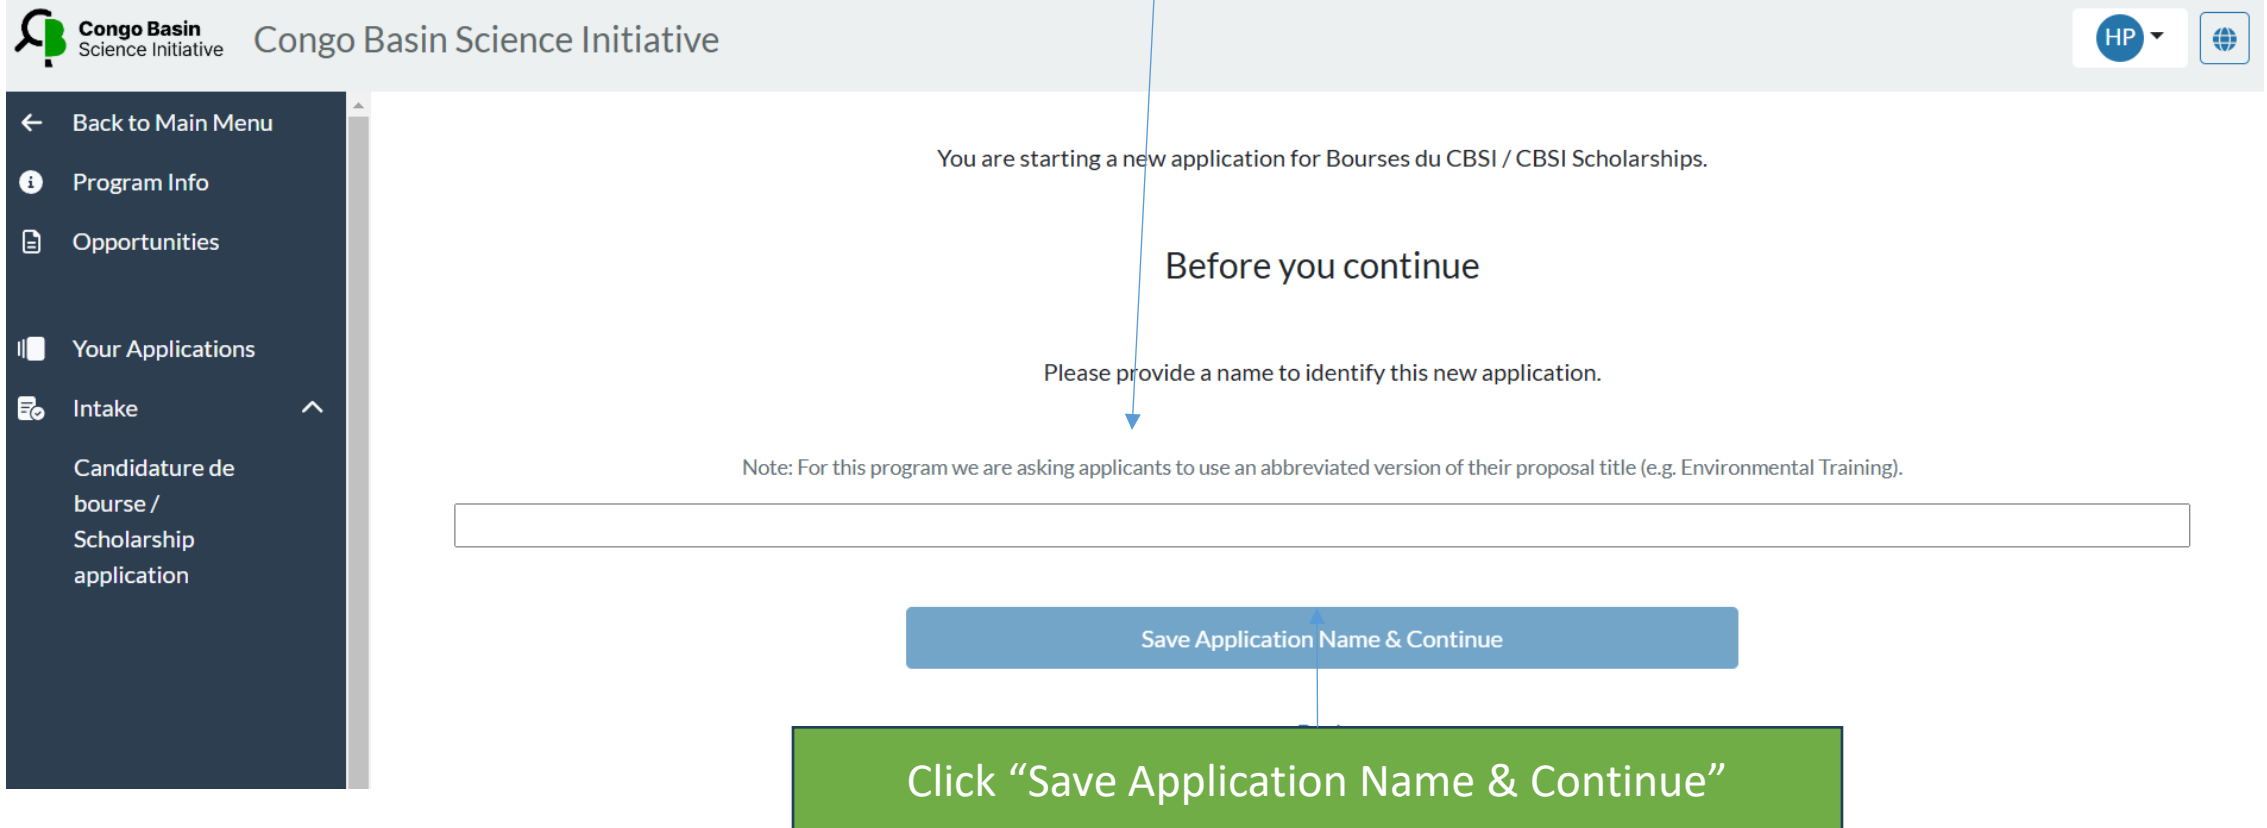

When complete, click "Create Profile"

Name the application

We ask that you name the application with the CBSI Scholarship that it is for, e.g.: PhD U. of Leeds (Understanding the drivers of the central African intact forest carbon sink).

This helps distinguish between applications if you are applying for more than one scholarship.

Please copy and paste from the list of names here: <https://congobasinscience.net/scholarships/faqs/>

The screenshot shows the Congo Basin Science Initiative website interface. The header includes the logo and name 'Congo Basin Science Initiative' on the left, and 'HP' and a globe icon on the right. A dark sidebar on the left contains a menu with items: 'Back to Main Menu', 'Program Info', 'Opportunities', 'Your Applications', and 'Intake' (which is expanded to show 'Candidature de bourse / Scholarship application'). The main content area displays the text: 'You are starting a new application for Bourses du CBSI / CBSI Scholarships. Before you continue Please provide a name to identify this new application.' Below this is a note: 'Note: For this program we are asking applicants to use an abbreviated version of their proposal title (e.g. Environmental Training).' A text input field is provided for the name. A blue button labeled 'Save Application Name & Continue' is positioned below the input field. A green callout box at the bottom of the screenshot contains the text: 'Click "Save Application Name & Continue"'. A blue arrow points from the callout box to the button.
